The Requirement: While a Life Scout, plan, develop, and give leadership to others in a service project helpful to your religious institution, school, or community. (The project should benefit an organization other than BSA.) Before you start, the project must be approved by the organization benefiting from the effort, your unit leader, the unit committee, and the district advancement committee. You must use the Eagle Scout Leadership Project Workbook, No. 18-927, in meeting this requirement. The entire workbook can be downloaded from <http://www.nesa.org/trail/manual.html>
