

Requirements for Eagle Application Verification

1. Eagle application must be completely filled out down to the BSA local signature.
2. Blue cards and Rank advancement cards are required. If and only if they are not available you can bring an Individual History Report provided by the Troop with 3 signatures from the Troop.
3. Make sure that under requirement #4 that leadership is after the Life rank date only.
4. Requirement #5 must have name of Project and TOTAL # of hours, and the last page of the work book that has completion signatures must also be brought in for verification.
5. Your statement of ambitions and life purpose must also be brought in.

Appointments are made on Tuesday's only and can be completed in less than 30 minutes if all paper work is in order. You can also drop off or mail all your paper work in and the process will be completed in 3-4 working days, you will then be called to pick up your paperwork. At this time you can then call and schedule a BOR with your District Advancement Chairman, at which time he/she will tell you what is required for them.
